

## 2021 Teacher Assessed Grades – Year 11 and Year 13

### How will year 11 and year 13 students be assessed?

Year 11 and Year 13 students will be awarded what the Department for Education are calling a 'teacher assessed grade' in light of the impact of COVID 19. The information below summarises the process.

- We will determine grades based on the standard at which a student has performed across the entire course.
- We will collect a range of evidence to arrive at a grade for each student so that each grade is determined objectively.
- Subject leaders and the Senior Leadership Team will decide upon evidence.
- Assessments will be quality assured and moderated both internally and externally.

### When will students receive results?

Year 13 results day: Tuesday 10<sup>th</sup> August.

Year 11 results day: Thursday 12<sup>th</sup> August.

### Is there an appeals process?

Yes. Students can appeal the grades on or after they receive their results. If a student wishes to appeal they should:

- Ask the school to submit a formal appeal to the exam board.
- The exam board will then check the processes followed in school, review the evidence and provide a view as to whether or not the grade awarded was reasonable.
- If the exam board finds the grade is not reasonable they will determine the alternative grade and inform the centre.

### Do you want to know more?
