'SUPPORTING THE WHOLE PERSON TO BE THE BEST'

13th December 2021

Dear Parent / Guardian

Re: SWB6th

I am writing to provide you with more information on the 6th form interviews which will take place in January 2022. Your son / daughter has applied to study with us in September 2022 and as part of the application process all students are interviewed to assess their suitability for Sixth Form and their chosen courses, and ensure they are picking the right subjects for their future ambitions.

Each applicant will have a 15 minute interview with a member of the Senior Leadership Team at the academy and these interviews will take place between 16.00-19.00 on Thursday 13th and 20th January.

Your son / daughter will receive the following [booking link](#) via their school email and they need to click the link to choose a suitable time slot for this to take place. Once booked students are able to change this if needed. Please ignore the staffing assigned as we will move this around closer to the time depending on need. If your son / daughter does not have access to their school email, they need to see their Head of Year in school as soon as possible.

Students will experience a formal interview process and have the opportunity to ask questions at the interview. The 6th form team will also be on hand to answer more general queries. You are encouraged to attend with your son / daughter if you wish.

All offers are conditional based on results, but students will leave the interview with an indication as to how their predicted grades stand in relation to their chosen courses.

If you have any queries at all about this process, please do not hesitate to contact me.

Yours sincerely,
