

# ICT Learning Journey

Unit 17 Internet of Everything

Unit 9 Product Development

Year 12  
ORMISTON SWB ACADEMY

Unit 1: Fundamentals of IT

Unit 2 Global Information

Unit 3 Cyber Security

Year 13  
ORMISTON SWB ACADEMY

Internet of Everything

Digital Communications

Cyber Security

Data & Testing

Human Computer Interface

Design Tools

R050 - IT in the Digital World

Year 11  
ORMISTON SWB ACADEMY

R060 - Data Manipulation using Spreadsheets

Planning & Designing Spreadsheets

Create a Spreadsheet Solution

Test the Spreadsheet Solution

Evaluate the Spreadsheet Solution

R070 - using Augmented Reality to Present Information

Augmented Reality

Design an Augmented Reality

Create an Augmented Reality

Test and Review

Year 10  
ORMISTON SWB ACADEMY

CS & IT Industry Project

Robotics Laws & Ethics

HTML Web Design

Taster CS: Programming Project (Games Design)

Taster IT: Augmented Reality

Computer Networks

Year 8  
ORMISTON SWB ACADEMY

Computer Logic

Algorithms & Computational Thinking

Flowcharts

Python programming Advanced

Excel-ing

Mobile App Development

Year 9  
ORMISTON SWB ACADEMY

Python Programming Basics

MicroBits

Data Representation

Computer Components

Digital Literacy (online)

Digital Literacy (APP)

Year 7  
ORMISTON SWB ACADEMY
