What Standards are expected of Ormiston SWB Academy students?

The Academy does not have a long list of Rules, but students should make special note of these seven very important statements.

 Uniform	<p>Always correctly wear official Academy uniform. Always be smart and conform fully to the uniform guide. If you refuse to follow uniform guidelines or refuse to wear spare uniform offered to you, you may be asked to go home to rectify or a sanction could be issued.</p>
 Bullying	<p>Everyone must be safe. Bullying will not be tolerated. Exercise of aggressive or threatening behaviour, or other intimidation or abuse, will result in serious sanctions alongside our school policy.</p> <p>The following acts will result in permanent exclusion Carrying a knife or offensive weapon</p>
 Behaviour	<p>Teachers are employed to teach and students come to Ormiston SWB Academy to learn. Any student who prevents this happening will have to attend a meeting with academy staff and parents to discuss the reasons why. If you continue to disturb the learning of others and you could lose your place at the Academy.</p>
 Resources	<p>Be sure to treat all facilities, and especially the ICT facilities, properly and with a high level of care. Downloading inappropriate materials is a serious breach of Academy rules which could lead to you losing your place at the Academy. You will need to sign an ICT contract which gives you more detailed guidance.</p>
 Drugs	<p>Illegal or harmful drugs and substances are very dangerous, and students should note that there will be no toleration of possession, sale, purchase or consumption at the Academy or away from the Academy.</p> <p>The following acts will result in permanent exclusion Possession, sale, purchase or consumption of illegal or harmful drugs and substances at the academy or immediate locality</p>
 Healthy Lifestyle	<p>The Academy actively promotes healthy lifestyles and encourages students to eat a balanced diet. Chewing gum and energy drinks are not allowed at the Academy and will be confiscated and disposed of.</p>
 Mobile Phones	<p>You may bring your phone to the Academy for emergency use only. It should be switched off as soon as you enter the Academy grounds and kept either in your school bag or a zipped pocket. Do not use your phone to take photographs or videos anywhere in the Academy, the area immediately outside or on Academy transport. If you do not follow these rules, you will be asked to give your phone to a member of staff and your parents may have to come and collect it.</p>

How can students be successful?

 Timekeeping	<p>Be on time for the Academy.</p> <p>You should be in the Academy at 08.30am and at your Personal Tutor group at 08.40am.</p>
 Homework	<p>Always complete homework to the best of your ability and on time.</p>
 Bullying	<p>Never tolerate a bully.</p> <p>Always tell your Personal Tutor/Head of Year/ trusted member of staff the first time this happens.</p>
 Team Games	<p>Support your friends by taking part in team and group activities.</p> <p>It is expected that you will represent the Academy if you have sporting or other talents.</p>
 Performing Arts	<p>Participate in the many after school activities available.</p>
 Work Hard	<p>Work hard at all times and always ask if you do not understand.</p>
 Equipment	<p>Take care of your equipment and respect other people's belongings.</p>
 Respect	<p>Always be polite in discussions with your Teachers and fellow students.</p> <p>We should always say "Please, Thank you and Pardon"</p>

Students should feel good about being successful!

Your teachers will work hard to ensure that you are:

	<p>Valued and given quality care and confidentiality where appropriate.</p>
	<p>Encouraged by providing you with stimulating lessons and incentives to do well.</p>
	<p>Involved in your education by providing regular information to you and your parents on progress.</p>
	<p>Congratulated by providing recognition and rewards.</p>
	<p>Benefiting through lots of opportunities in academic, sporting, musical and cultural activities</p>
	<p>Supported by providing safe, orderly conditions for you to learn effectively.</p>

Students should feel confident about expressing their views about the life and work of the Academy

	<p>Students can discuss any problems or concerns with their Personal Tutor or a Subject Teacher, member of support staff or a member of the Senior Leadership Team.</p>
	<p>Students can arrange to see the Principal at any time to discuss issues of concern.</p>
	<p>Students can always politely inform the staff of their views or suggest areas for improvement. Alternatively, students can use the email system.</p>
	<p>Students may also express their views to the Student Ambassador Team.</p>

Working together – Academy and Parent Partnership

Ormiston SWB Academy is committed to continuously improving the service we provide to students, parents and the wider community. We have quality assurance systems in place for gathering information and monitoring progress in relation to customer care.

As well as commenting on the regular reports, parents and students are invited to complete questionnaires during the academic year: for example, parents evening, following the Key Stage 4 Information Evenings, CEIAG Programme, etc.
