REF: KEL/CPA January 2025

30/01/2024

Dear Parents/Carers

### RE: Year 9 Options 2025

Next month your child completes the process of determining which subjects they will be examined on in the summer of 2027. Your child has completed a series of lessons in their CORE curriculum time that have prepared them for this process.

We have produced a dedicated area on our website that will contain all the information you will need to help your child to make an informed choice alongside guidance from teaching staff. This area of the website is entitled 'Year 9 Options 2025' (this can be found under KEY INFO) and will go live on 30 January 2025. It contains a guide for parents and students at the top of the page. **Please read this first.** A Y9 options on-line prospectus will be available to enable you to have all the information you need to help them make their choices.

You are asked to look carefully at the choices available to your child and start discussing those subjects that they might like to take into Year 10 and 11. The routes and curriculum offers are on our website page. Please note that the 'Triple Science' route is by invitation only. Parents of students invited to these routes will be contacted separately. Most of our students will follow the 'Main option' route, this has been selected for your child. This route still provides access to a fully academic curriculum if those pupils wish to choose these subjects, however, has been designed to offer a broad range of options to select from. Please note, courses will run based on numbers and safe staffing so it is vital that your child chooses a reserve option.

**The options forms will be given to pupils at the start of the week commencing Monday 10<sup>th</sup> March 2025.** All pupils are invited to the Year 9 parents evening on Thursday 13<sup>th</sup> March, where they can discuss their choices with their subject teachers before making their final decisions. The deadline for completion and return of the options form is the following day (Friday 14<sup>th</sup> March 2025). However, we encourage forms to be handed in on the night of the parents evening following discussions with subject staff.

### Curriculum offer for the 'main':

Core A		Core B			Core C		Free option 2	Free option 3
English	Maths	Science	Science	(Compulsory Option)  Geography/ History/ Spanish/ *Computer Science  * only if you are recommended for the course by your teacher	PE	C O R E

If you have any further questions, please come and see me in person during the parents evening for year 9 on Thursday 13<sup>th</sup> March 2025. **It is important that this process is completed by the deadline. If there is any delay, it might affect the choices available for your child.**

Yours faithfully

Mr. K. Ellement  
Vice Principal
