**Something to Write:**

1. Write a brief letter on interest, to detail why you think EPQ is right for you. You should discuss
  - Why you would like to take EPQ and why it will be beneficial to you
  - Skills you have that make you suitable to undertake the extended project
  - Propose your initial ideas for your project.
2. Using the videos/ links above. Develop a detailed mind map to explore at least 8 different potential topics for your Extended project.
