

Subject: Health and social care

Course: National Diploma (Double)

Lead teacher: Mrs N Rogers – NRogers@oswba.co.uk

Something to Read:

- The Prison Doctor by Dr Amanda Brown
 - Memoirs of a secret social worker by Amanda Marcus
-

Something to Watch/Listen:

- 24 hours in A&E
 - One Born Every minute
-

Something to Write:

Imagine you are a trainee nurse and completing your first week at a local hospital. I want you to write 5 days of diary entries of the things you see and feel whilst completing your shifts. This should include the different tasks you do, how you engage with the service users and the different skills and qualities you must demonstrate to support effective care delivery.
