

## Primary Parking Updates

a) Access to the student gate on Prosser Street via the 'up and over' ramp that runs alongside Prosser Street.

b) Additional car parking in Pinfold Street Carpark. Students can access the academy via the walk over above the Black Country route and down the ramp to the student entrance.

d) Limited parking on the visitor carpark on Prosser Street

c) Due to the high volume of pupil movement in the morning and at the end of the day, we are encouraging parents who drive to park away from the electric gates onto the academy premises and the small lane by the pupil entrance.

There is no pupil or parent access through the staff carpark.

Please do not park at the Bert Williams Leisure Centre, as this is a private car park for their customers.
