'Learning for Life, Securing Success'

SWO/ALA/JULY 2020

13/07/2020

Dear Parent/Carer,

Re: September Attendance

We would like to remind you that all students will be expected to return in September on a full time timetable. We have applied stringent safety measures and completed risk assessments as required to ensure we meet criteria for being a safe environment, as has been detailed in previous emails.

You will have received communications detailing dates and times of a return for each group. Please familiarise yourself with this and ensure that your child attends as detailed, as part of compulsory guidelines for school attendance.

If you have any concerns or do not believe your child will be in a position to return in September you **MUST** make contact with the academy this week so we can offer support, reassurances and put actions in place to support your child's return.

We will be applying normal procedures for none attendance and working with the Local Authority to inform Education Welfare Officers for those students not attending.

We hope to see all of the students back in September ready to start their learning journey on site once again.

Yours sincerely,

Miss S Woodbine
Assistant Principal
